**SNAP**  
**QUEST**  
**Fundraising Challenge**

### What your gift will benefit

All proceeds benefit the Sigma Theta Tau International Foundation for Nursing and will be used to fund research grants which advance nursing science. These grants are available to both novice and seasoned nurse researchers for studies that cover a range of global healthcare issues.

Each year, only about 18 of 130 grant applicants are awarded due to limited funding. Our goal is a 100 percent increase in grant funding by 2020. Your gift will help make this a reality.

### How it works

Your team can earn up to 500 points before the start of the game by securing donations to fund research grants.

Invite your friends, family, and colleagues to help your team by making a donation to the Foundation. Be sure to legibly record their names and addresses if they would like to receive a tax receipt. Checks must be made payable to “STTI Foundation.” *We cannot accept checks made payable to an individual, and they will be returned to you.*

Donations can be made online by visiting [www.nursingsociety.org](http://www.nursingsociety.org) and clicking “Donate Today” at the top of the page. Please ask the donor to enter your name in the “Special Instructions or Notes” section so we credit your team with the gift.

To receive points, ***donations must be turned in at the Foundation booth when you check in to start the game*** at the biennial convention.

### Prize

The team that raises the most money will be President Hester C. Klopper’s special guests at a formal private reception for the Founders Awards\* recipients on the evening of Monday, 9 November 2015.

Only one team will win the Fundraising Challenge so keep going after you reach US \$500! There is no limit to the amount of money each team can raise, only on the points that will be awarded at the start of the game.

\*The reception immediately precedes the Founders Awards Celebration Dinner. Awards dinner tickets are not included in the prize; however, they may be purchased separately.

Thank you to HCR Home Care for sponsoring this event!
